Friendship Café

BRICK INSCRIPTION PROGRAM

Amos House is expanding our catering business with the all new Friendship Café! Located in Southside Gateways on Broad Street in Providence, the Friendship Café will offer a fresh, delicious, affordable breakfast and lunch menu, premium coffees, and an ice cream window.

The café will provide on-the-job training for graduates of ACE, our culinary training program, which helps underskilled men and women make a new start. The profits will go directly back to support Amos House's food, shelter, job training and social service programs that help people in need.

Grab & go, or stay to enjoy free WiFi and our outdoor patio. We're cooking up great food for an even better cause!

Engraved brick tiles are the perfect way to recognize family, friends, civic, school or religious organizations, in memory of a loved-one, or to showcase your company's philanthropic nature.

Job by job, brick by brick, Amos House is creating opportunities.

I WOULD LIKE TO BE A PERMANENT PART OF THE FRIENDSHIP CAFÉ.

Please reserve my recognition brick tile.
